Dear Tom,

The new gym floor at Southwest City School is perfect. The students and staff are so pleased to have a floor that functions as it was intended. Now the balls really bounce!

I want to thank you so very much for your generosity. Not many companies would stand behind a product and behave in such an ethical manner. Enclosed are some letters written by Southwest City students to express their appreciation. I think you will get a kick out of them.

Again, thank you for being a stand up guy. You are respected and appreciated.

Sincerely,

A handwritten signature in cursive script that reads "Deborah".

Dear Four States Maintenance's Supply,

Hi! Thanks for doing the gym. It's cool. The gym smells new! That's neat. My name is Liberty but you can call me Libby. I like sports and art. You? I hope you have a good day. Nice talking with you.

Sincerely, Libby

Dear Four State Maint. & Supply,

Thank you for the new gym floor. It is cool. You worked hard to make it. It is very shiny. When you bounce a basketball it stays where you want it stay. The last one was bad. When it goes bad, I hope you can make it again.

Sincerely,
Benjamin

Dear Four States Maintenance and Supply,

Thank you for the new gym floor. It is a beautiful gray and Navy blue. The volley ball lines are a beautiful shining black. Thanks for doing it for free. It is easier to play basketball. It can bounce in the direction you want it to go in. Thanks to you we can play P.E. better. You guys work hard every day so I am glad you had time to give a awesome new floor. You guys are so cool that you must be famous. I have seen your building. I am glad you were the ones that fixed our gym floor.

Sincerely,
Heather

Dear, 4 States maintenance and Supply 11-4-11

I thank you very much
for the gym floor, I hope you
had fun. I know I had excitement.
We, Southwest city have waited for
such a nice floor. It would of
cost like \$4,000 dollars. But you
redone it for us. We really thank-
you for all your help.

S

Sincerely, William
